

Remarks

I.     The Office Communication

The Office Communication states that Applicants' prior response filed July 13, 2004 was not fully responsive for two reasons:

- a.     Failure to include complete listing of all claims ever presented; and
- b.     Failure to use correct identifiers in indicating the status of each claim after its claim number.

II.    Applicants Response

This Remarks section is limited to addressing those reasons, rather than reiterating the Remarks of the July 13, 2004 response.

Applicants respectfully assert that the accompanying Amendment includes complete listing of all claims ever presented.

Applicants respectfully assert that the accompanying Amendment includes use of correct identifiers in indicating the status of each claim after its claim number.

IV.    Conclusion's

Applicants appreciate the opportunity to correct these matters, and respectfully request reconsideration of the pending claims.

Respectfully submitted,
